

BBI (DBCT) Management Pty Ltd – DBCT 7X Project

COMMUNITY BULLETIN No. 15

Wednesday 24th January 2007

POLICE ESCORTED - LONG WIDE LOADS

For your information:-

The second shipment of large stacker reclaimer parts are planned to arrive at the Tug Harbour by barges commencing on Sunday 28/1/07 and will be unloaded into the lay-down area over the following week.

These wide loads are then planned to be transported to the DBCT 7X Construction Site under police escort on the weekend of the 3rd and 4th February 2007 and may continue into Monday 5th February 2007.

At all times Community access to the Tug Harbour boat ramp will be maintained during these activities.

Please note the timing of these activities is subject to change, pending the arrival of the barges in the Tug Harbour.

ROW 8 ROCK BLASTING

Another series of minor rock blasting will be carried out in the middle section of Row 8 as part of the DBCT 7X Expansion Project.

These blasts are planned to take place around 5pm on three occasions over the next 3 weeks.

Some associated blasting noise may be heard by the nearby community.
