

BBI (DBCT) Management Pty Ltd – DBCT 7X Project

COMMUNITY BULLETIN No. 16

Friday 16th February 2007

For your information:-

POLICE ESCORTED LONG WIDE LOADS

The second shipment of large stacker reclaimer parts have now arrived at the Tug Harbour by barges.

These wide loads will be transported to the DBCT 7X Construction Site under police escort on the weekend of the 17th and 18th February 2007 and may continue into Monday 19th February 2007.

Please be aware that some minor delays to traffic on the Hay Point Road may occur during this period.

TUG HARBOUR LAYDOWN AREA

John Holland Pty Ltd have recently been awarded the DBCT 7X Project Offshore works contract and have commenced mobilizing into the Tug Harbour Laydown Area.

Security fencing will be erected around the lease area and some trees will be removed to allow for site offices, plant, materials and equipment.

Access to the public boat ramp and parking area will be maintained at all times, however, please be aware of changed conditions and observe all safety signs and barricading in place to ensure the safety of everyone in the area.
