## ***DBCT 7X EXPANSION***

### ***STACKER 4***

The Stacker 4 components have arrived ahead of schedule at the Tug Harbour and will be transported to the Project Construction Site during the next two days.

Minor delays to traffic flow on the Hay Point Road between the Tug Harbour and the Project Construction Entrance may occur between 10:00 hours and 14:00 hours, Monday and Tuesday this week.

Access to the boat ramp and parking area will be maintained at all times.
