DBCT TERMINAL EXPANSION PROJECT COMMUNITY INFORMATION SESSIONS

Work continues on the DBCT Terminal expansion project with construction activities, installation and commissioning of new equipment making progress.

On Saturday 27 October, the Babcock Brown Infrastructure DBCT Expansion Project Team will be holding another round of information sessions to provide members of the local and regional community with the opportunity to learn more about the expansion and to receive an update on the status of the project.

The information sessions will cover:

- Expansion schedule and update on the status of the project
- Work currently underway
- Activities undertaken so far and upcoming planned works

SESSION DETAILS

When: Saturday, 27 October 2007

Times: Session One: 10:00am – 12:00pm

Session Two: 1:00pm – 3:00pm

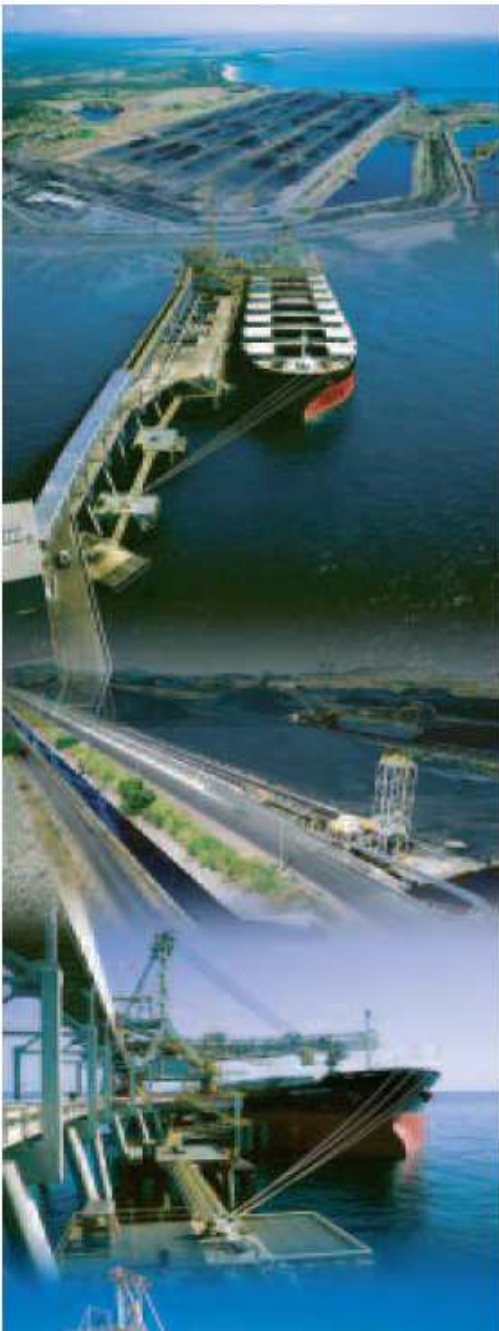

Where: Conference Room

PCQ Port Administration Building

Horyu Maru Drive, Hay Point

(Conference room below the project shopfront office)

We look forward to seeing you there.
