BBI (DBCT) Management Pty Ltd – Short Gain Project

COMMUNITY BULLETIN No. 4

Arrival of New Reclaimer Components by Barge

The third Barge load of components for the RL1 Reclaimer, which is part of the Short Gain Project, will be arriving from Cairns on Saturday 17th December 2005.

The Barge will arrive in the Tug Harbour and be positioned on the north side of the Tug Harbour Road.

Unloading of the Barge will commence on Saturday 17th December 2005 using a crane and trailers positioned to the South of the Boat ramp.

The transporting of the Reclaimer parts from the Tug Harbour to DBCT will take place on Saturday 17th December commencing at approximately 09:30am and is anticipated to take eight (8) hours. Minor delays may occur to traffic on the road from the Tug Harbour to the entrance of DBCT. Every effort will be made to minimise the impact of traffic users.

The Tug Harbour Boat Ramp and vehicle parking area will be accessible to the Public at all times during this operation.

Please note that the timing of this scheduled operation is subject to the arrival time of the barge and the weather conditions.
