BBI (DBCT) Management Pty Ltd – DBCT 7X Project

COMMUNITY BULLETIN No. 6

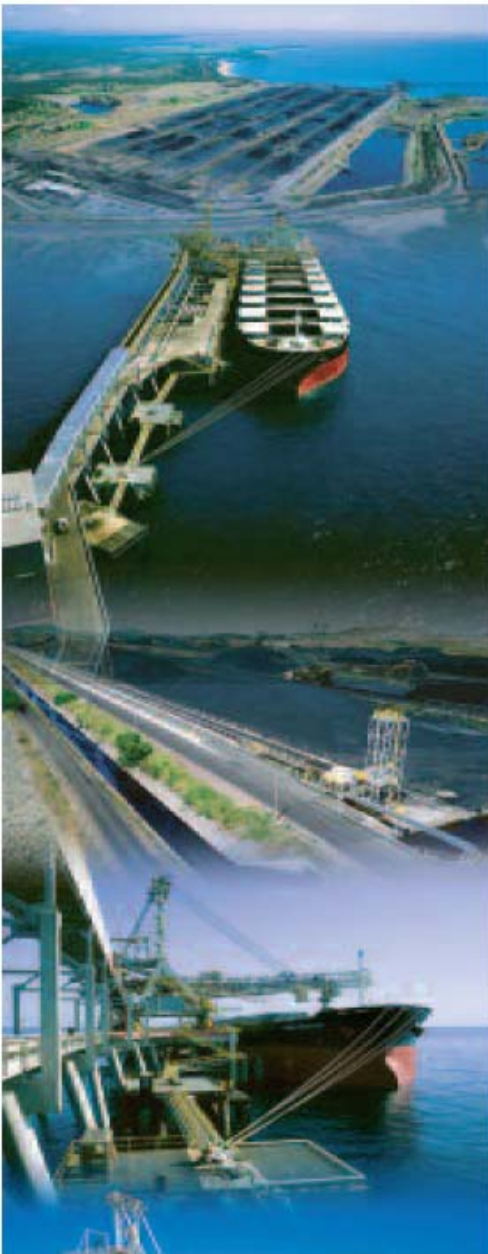

Extension to the North Western Sea Wall

Please be aware that work will shortly commence on the extension of the sea wall at the North Western corner of the DBCT terminal. This work is part of the Phase 1 DBCT 7X Project.

Although this work area is outside of the DBCT terminal security fence, it is within the DBCT terminal boundary.

This work will take approximately 3 months to complete and during this period, a construction work area will be erected and maintained.

For Safety reasons, all personnel, not involved in the construction work, must not enter the construction work area at any time.
